May 17 to 19th, Petach Tikvah and Revive Israel (www.reviveisrael.org) organize a youth conference/ camping weekend at Camping Tikvah! The theme 'One New Man' is about relationships. First of all with Jesus, but also the relationship with Messianic believing Jews in Israel and the burning heart of Jesus for Israel, and what that actually has to do with you. At the weekend Youval & Valerie and Mark & Gila from Israel will share their hearts with us. Through their personal stories you will get a better insight into the times we are actually living in.

3 DAY CAMPING ADVENTURE

The youth conference is a 3 day camping weekend at camping Tikvah (www.campingtikvah.nl) with time for worship, prayer, education, testimonials, personal stories and an opportunity to ask your questions. There is also time for fun, sport and activities to get to know each other better. We eat around the campfire and in the evening of course you can chill out. And if you have musical instrument, take it with you!

FOR WHOM?

The youth conference is for young people in the ages between of 17 and 35. Of course young families are also welcome. If there are many kids we will think about a kid's program and ask for your help.
